

PEARSON EDUCATION INNOVATION AWARD VIETNAM | 2019

Are you an educator who is constantly innovating, designing and experimenting with different pedagogies, technologies, curriculum enhancement, and assessment strategies?

Education in engineering and technology - key STEM disciplines – plays an immensely important role in addressing the challenge of closing the gap between academia and industry, as well as between theory and practice.

THIS AWARD IS SPONSORED BY PEARSON AND CONFERRED THROUGH THE BUILDING UNIVERSITY INDUSTRY LEARNING AND DEVELOPMENT THROUGH INNOVATION AND TECHNOLOGY (BUILD-IT) ALLIANCE, IMPLEMENTED BY ARIZONA STATE UNIVERSITY.

WHO SHOULD APPLY?

The Pearson Education Innovation Award Vietnam is open to all educators and leaders from BUILD-IT academic partner institutions who are currently teaching in STEM disciplines and are implementing innovative projects at their institutions with measurable and demonstrable results.

PRIZES

Pearson and BUILD-IT are partnering to celebrate and recognize 5 finalists at the 2019 Science, Technology, Engineering and Math Conference (STEMCON) in Danang, Vietnam. Finalists receive the following:

- Sponsored travel and accommodation to speak at 2019 STEMCON, if abstract and presentation are approved
- Invitation to BUILD-IT's Certified Facilitator Training Program
- Recognition during Pearson's annual online learning conference
- One Grand Prize winner will receive an all-expense paid trip to Pearson's Now/Next in learning conference in Scottsdale, Arizona USA in April 2019

DEADLINE TO APPLY IS JANUARY 11, 2019
